CARDO FREECOM 2+

2 way rider to rider Bluetooth
communication system

Our best seller, now with a
big + on range

The world's best selling 2-way
communication system, has
increased its range to 500m (0.3mi).

FREECOM 2+ brings new
standards to riding in duo.

With explosive sound, extra-tough
shell, and incredibly flat design,
nothing comes close to FREECOM 2+
abilities on the real road.

FREECOM 2+

The most fully featured 2 way rider to rider Bluetooth system, now with a big + on range

2 Way Rider to Rider

An increased range of up to 500m (0.3mi) keeps you connected at all times. It even comes pre-paired when you order a duo set

Universal Connectivity

Connects to any other Bluetooth headset of any brand

Extra-Slim Communicator

Only 16mm top-to-bottom. FREECOM 2+ aerodynamic design and low wind noise makes the other Bluetooth headsets look like blunt tools

Waterproof

No matter what you throw at it, your IP67 waterproof FREECOM 2+ will take the beating from water and dust and keep you connected

Explosive Sound

Powerful 40mm speakers and advanced processor will transform any ride

Fully Featured
